

To Our Prescott Community,

Edison Market will **close its doors on November 15** as we take time to evaluate new concepts and potential operator partnerships for this space.

This is not a permanent closure—just a pause while we determine the best next step for Edison and the community it serves.

We are deeply grateful for the support, friendships, and memories shared here over the years. Prescott has been the heart of Edison Market, and we look forward to what the future may bring.

Thank you, Prescott.
